FRONT-END DEV/WORDPRESS DEV

ubaidqureshi2123@gmail.com | ubaid-qureshi.netlify.app/

SUMMARY

Aspiring Full-Stack Developer with foundational experience in building responsive and user-friendly websites using WordPress, Elementor, HTML, and CSS. Proficient in creating and customizing WordPress themes and layouts, with a growing skill set in front-end technologies like JavaScript and React. Eager to learn and take on new challenges in web development, with a focus on writing clean code, optimizing site performance, and delivering high-quality digital experiences.

TECHNICAL SKILLS

HTML5	React.js	Responsive Web Design
CSS3	Bootstrap / Tailwind CSS	Web Performance Optimization
JavaScript (ES6+)	Version Control (Git & GitHub)	Basic SEO

PROFESSIONAL EXPERIENCE

Freelance WordPress Developer   **Jan 2025 - Present**
- Delivered 2–3 complete WordPress e-commerce websites for clients, including theme customization, plugin integration, and responsive design.
- Ensured fully functional, mobile-friendly, and user-centered sites tailored to client requirements.
- Managed deployment and hosting, optimizing site performance and user experience.

Front-end/React Dev   **Present**
- I have built several practice projects and web clones using HTML, CSS, JavaScript, and React to deepen my understanding of modern web technologies. I am highly motivated to grow in a collaborative environment and look forward to gaining hands-on industry experience.
